Unique Entity ID: QKVUAY684CG1

CAGE/NCAGE: 13GK7

CAPABILITY STATEMENT

Executive Summary

August Intelligence Solutions (AIS) is a certified small business delivering cloud infrastructure, networking, automation, security, and operational resiliency services for government and public-sector environments. We help prime contractors strengthen technical delivery while supporting small business participation goals with a responsive, documentation-driven subcontracting model.

Prime Contractor Need	AIS Value
Small business participation goals	Five active certifications supporting multiple participation programs
Qualified IT subcontractor	Experience in cloud engineering, automation, networking, and systems support
Reliable subcontract execution	Structured delivery, technical documentation, and compliance-aware implementation
Flexible project coverage	Support for full IT scopes or targeted work packages such as cloud, monitoring, and networking

CERTIFICATIONS & REGISTRATIONS

Certification	Certifying Body
DBE — Disadvantaged Business Enterprise	City of Houston / TUCP
SBE — Small Business Enterprise	Houston METRO
SDB — Small Disadvantaged Business	SAM.gov
AABE — African American Business Enterprise	SAM.gov
MBE — Minority Business Enterprise	SAM.gov

- Server and compute infrastructure provisioning
- Data center IT commissioning and configuration
- Virtualization and containerization

Networking & Communications

- Network design, segmentation, and configuration
- VPN and hybrid-cloud connectivity
- Communications raceway and pathway systems
- Wireless network deployment

Security & Compliance

- Security hardening and access controls
- Firewall and intrusion detection configuration
- Compliance documentation (FISMA, FedRAMP, CJIS alignment)
- Vulnerability scanning and remediation

Automation & DevOps

- Infrastructure as Code (Terraform, CloudFormation)
- CI/CD pipeline development
- Automated provisioning and configuration management
- Backup and disaster recovery implementation
- Ongoing managed services and support

NAICS CODES

Code	Description
518210	Computing Infrastructure Providers, Data Processing, Web Hosting
541511	Custom Computer Programming Services
541512	Computer Systems Design Services
541513	Computer Facilities Management Services
541519	Other Computer Related Services
423430	Computer and Computer Peripheral Equipment and Software Merchant Wholesalers

Key Differentiators

- 5 active small business certifications — satisfies DBE, SBE, SDB, AABE, and MBE participation on a single subcontract
- Automation-first approach — IaC, CI/CD, and automated operations reduce risk and accelerate delivery
- Structured subcontractor model — clear scope, predictable delivery, professional documentation
- Public sector experience — positioned for municipal, state, and federal IT modernization
- AWS & multi-cloud expertise — certified across AWS, Microsoft, and Google platforms

August Intelligence Solutions LLC — Certified. Capable. Ready to support your next win.
